Parkview Senior Primary once again proved their Maths mettle at the annual Horizon Maths Challenge. Out of 7 500 Gauteng learners, Parkview Senior had a staggering 28 children placed in the top 200! This consisted of two Gr 5s out of only 12 in Gauteng (Brendon Hope and Tafeeq Goosein both ex PVJ), and six Gr 6s out of a total of 55. We had 20 PVS learners in Gr 7, and Emily Hope (ex PVJ) achieved 6th position overall, winning a bicycle and silver medal! Hamza Aboobaker (ex PVJ) came 20th and Thomas Willcox (ex PVJ) came 16th. Overall, PVS was the third best performing school. To top these achievements, Mrs. Sathiah was voted the best Maths educator for the second year running. As a school, we salute the hard work and dedication that goes into these extraordinary achievements and celebrate our commitment to excellence.
