PRINCIPAL'S DESK

Thank you to the Grade 2-3 parents who attended their class assembly on Monday.

COOKIE SALE

A big thanks to the Grade 3 parents for the cookies that were provided for the Cookie Sale. Grade 3 learners were proud to bring their wares onto the premises. Thank you to the team of parents from the PTA who helped and organised to distribute the cookies to all our classes. The children enjoyed the event at first snack and again at second snack. They enjoyed the experience of handling their coins.

Our Grade R applications have now closed. Parents will be notified with regards to the status of their application between 16 – 27 May 2022.

TRAFFIC SAFETY

Please remember that you may not leave your car parked in the drop-off zone.

Mr Mothiba and Mr Chuene cannot monitor this zone and keep a check on the children crossing at the pedestrian crossing.

Mr B Mguye is monitoring the drop off zone.

Parents we are also asking you to please to be mindful when dropping off in the morning or fetching in the afternoons.

Please do not block our neighbours driveways or unnecessarily obstruct the roads surrounding the school.

COVID 19

In the event that your child tests positive for COVID19, please kindly inform the class teacher and Mrs Maharaj, our COVID19 officer. Mrs Maharaj's email address is:

Veschini.maharaj@parkviewjunior.co.za.

Please also send through proof of the test. As a school we are required to report the number of learners who have tested positive to the Department of Health for the purposes of stats and records.

PTA NEWS

We will be launching our annual raffle in the start of the third term and a Fun Day in the fourth term. We hope that this will somehow be an indication that we are moving back towards normality. The dates for both are yet to be confirmed. As usual we are compiling Grade hampers as part of the prizes for the raffle. Your class parents will be in touch and will be requesting you to assist in collecting the necessary items needed for your particular Grade.

We humbly ask that you cooperate with your class parents so that both events can be successful and most importantly fun. We cannot do it without you. At this time we would also like to make a call out to anyone who is able to sponsor a prize or prizes beyond their Grade hampers to get in touch with their class parents or alternatively email Ayanda on mkhwanaziayanda71@gmail.com or Kacha kasahara.yoshiaki@gmail.com.

We accept a variety of prizes including monetary contributions/sponsorships. We will be sending reminders and soon we will announce the dates of both our raffle and Fun Day.

Thank you for continuing to support all our initiatives, it is appreciated.

We look forward to working with you once more for the next two terms.
