AFTERCARE

This facility is available for children whose parents cannot pick them up from school at dismissal time. The service is available on a daily, weekly or casual basis. Fees are payable in advance. The service runs from 13:00 until 17:30 daily.

It is staffed by educational staff and trained experienced facilitators. All facilitators have police clearance certificates and have attended a First Aid Course.

Homework is supervised and children are kept busy with educational activities as well as free-play sessions which are supervised. Children attending an extra mural activity are allowed to attend their extra mural and then return to aftercare. No food is provided at aftercare, parents are asked to send extra lunch for their child.

No child may be left waiting on the premises after 17:30. A penalty fee is charged for parents fetching later than 17:30. All children who are not collected from school within 15min after their dismissal time or end of extra mural will be booked into aftercare.

Parents of children left late are usually phoned.

Aftercare fees must be paid in advance. Parents need to also complete the application and indemnity for each year.

Children are signed out from aftercare when they are fetched in the register.

All children attending aftercare regularly have to purchase a bib which is worn whilst at aftercare for clear identification. These bibs are available for purchase at the office for R55.

We have a staff-learner ratio of 1:10 to allow for engagement. All COVID-19 protocols are adhered to. Our main focus is to have your child kept safe and healthy whilst in our care.
