SIGNS OF POSITIVITY

This is a project that is initiated by one of our parents, Reg Pakari. He has managed to get sponsorship for this project from various organisations.

The messages will be installed around the school and inside each of the classrooms during November 2021. A plaque with the sponsor's names and logo will be placed under each sign to acknowledge the sponsor.

The SGB has approved this project. Photos and videos of the areas where the signs are installed will be taken. Some teachers and learners will be a part of the photos. Permission slips will be sent home to request your permission for videos and photos to be taken of your child/children.

Watch this space for an update.
