## HAIR

The hair policy focuses on safety, our values of tidiness, respect for oneself and others, and pride in our school. The policy does not distinguish according to gender and/or sex. This policy is the same for boys and girls. Where necessary, clarification of the policy will be addressed by a designated committee of teachers.

Hair should be:

- Easy to manage and suitable for being at school.
- Out of the face so that the child can see properly when working and playing sport.
- Hair may **NOT** be coloured. Braids must match the natural hair colour.
- No decorative shave patterns allowed.
- Hair accessories must be simple: Hair ties, clips, Alice bands, headbands, and ribbons must be navy blue or white.
- Hair beyond shoulder length should be tied back so that it doesn't fall into the face. One reason for this is to discourage the spread of lice, which can be common in foundation-phase schools.

In addition, hair should preferably be clean, neat, tidy, and considerate of others. Since these qualities are subjective, parents and guardians should use their discretion as to what this means.
